

Princess Y80

Year: 2024

Price: EUR 4,900,000 VAT Not Paid

Location: Mallorca, Spain

Hull Material: Fibreglass

Fuel: Diesel

Max Speed: 32 knots

Condition: Commercially coded

Presented in outstanding condition, this 2024 Princess Y80 offers an exceptional opportunity to acquire a nearly new yacht with an extensive specification and commercial certification.

Powered by twin MAN V12 engines producing 1,900 HP each, she delivers impressive performance together with refined cruising comfort.

Commercially coded, she is ready for private or charter operations and accommodates up to eight guests in four beautifully appointed cabins finished in elegant satin walnut, while separate crew quarters provide accommodation for up to three crew members.

Her comprehensive equipment list includes Vector Fin stabilizers for enhanced comfort both underway and at anchor, Raymarine Avikus camera systems, twin 27kW Onan generators, and a full reverse-cycle air conditioning system throughout.

Designed for effortless outdoor living, the spacious teak-laid flybridge features a fully equipped wet bar, while the innovative Infinity cockpit with its sliding seating arrangement creates a seamless connection to the water. Completing this outstanding package are a Williams 435 Tender, 2 x Seabobs, 2 x Paddle boards and snorkelling equipment ensuring endless enjoyment on the water.

Viewing is highly recommended.
