

Benetti Legend 85

Year: 2008

Price: EUR 2,600,000 Tax Paid

Location: Mallorca

Hull Material: Fibreglass

Fuel: Diesel

Cruising Speed: 12 knots

Condition: Used / Very good

She is an entry-level Benetti offering a true superyacht experience in every sense, whilst having an official length of just under 24 metres. Her generous beam and ingenious layout explain how her designers managed to create so much space, wherever you look!

The sensation aboard is one of supreme comfort and practicality, with features such as zero-speed stabilizers, large hull windows, huge opening hard-top to the flybridge and spacious entertaining areas, to name but a few.

- Built to MCA
- Long range de-rated engines
- Hydraulic bow thruster
- Sleeping 10 guests in 4 cabins
- Mid-level Owner's cabin forward
- Fly crane removed to operate with towable tender

Viewing is highly recommended!

Dimensions

LOA: 25.82 m

Beam: 6.75 m

Draft: 1.66 m

Engines

Engines: 2 x Caterpillar C18

Primary Engines: Inboard

Power: 885 hp

Tankage

Fuel Tanks #: 16500l

Fresh Water Tanks #: 3000l

Holding Tanks #: 2500l

Construction

Hull

GRP White – Displacement hull with bulbous bow constructed out of hand-laid glass-fiber construction with isophthalic gel coat backed by initial lay-up of powder-bound matt and isophthalic resin

Side Deck

GRP – Teak side deck and foredeck –Bulwark topped with solid teak capping rail, handrails raised for MCA purposes. Two Bulwark doors provided for side boarding.

Forward Sun Deck

Teak laid sundeck with steps leading to teak laid foredeck, raised handrails throughout.

Superstructure

GRP white, upper deck fitted with hard top with fabric soft opening. The upper deck is fitted with extended-height stainless rails, which are fitted with smoked perspex infills providing privacy and protection from wind.

Cockpit/Bathing Platform

GRP - Teak laid decks, Stainless steel rubbing strake

Interior Colours

Furniture finished in Tulip wood with a gloss finish and Burr inlays. Helm console finished with the same wood but surrounded by blue leather, with blue leather helm seat. Saloon has cream/grey fabric upholstery (new 2021) with a lovely texture. Numerous, scatter cushions. Cream carpets throughout except for the wheelhouse where there is wood flooring, the main starboard entrance is marble with a decorative star. Ceilings finished in a mixture of cream leather and Alcantara. Galley worktop grey/white fleck Granite. All the heads have marble floors and tops as well as full marble shower sunken bath surround in owner' cabin.

The fabric upgrades alone were over 20,000 Euros. All the taps lamps and marble are additional upgrades over the standard Benetti options.

External Colours

Cockpit and fly-bridge upholstery is cream/biscuit texture Sunbrella fabric including upper sun pad. All external covers are white.

Accommodation and Layout

4-cabin layout: A lovely full-beam owner double cabin with ensuite heads and shower is located on the main deck, forward of the wheelhouse.

The forward VIP double benefits from the full beam of the hull and is fitted with a king-size bed, and the twin guest cabins are on the lower deck, all cabins are ensuite.

The twin guest cabins are fitted with a queen size and a single bed in each, offering total flexibility to guests.

The day head is conveniently located on the main deck and can be accessed via the starboard side door without having to pass through the saloon.

Both internal and external stairs to the upper deck are of domestic proportions.

There is a unique crew cabin fit out for up to four crew, with two heads.

Owner's cabin

Located conveniently and privately on the main deck; Generous beam with long side windows on either side for stunning views; Large king-size bed, twin bedside tables and lamps, storage all around, dressing table with vanity unit; various sets of draws; Two Hanging wardrobes which can be locked. Independent AV, 40" flat screen TV with IPTV and sky Satellite decoder.

Ensuite Shower/WC with Twin wash basin and separate heads, with bidet. Large, sunken bath, which also acts as a large shower, with rain forest style outlet and finished in marble. Overhead skylights. Heated mirrors.

VIP cabin

Large king-size bed; hanging locker; vanity unit; two enormous picture windows give a stunning view out; cupboard with shelves; Flat screen TV with integrated AV system and 47" television.

En suite shower/WC; Washbasin; separate shower area with automatic pump-out; extractor fan; shaver point. Automatic heads and Bidet. Heated mirrors.

Starboard guest cabin

One single one double berths; hanging lockers and draws below beds; Individual berth lights; Large picture windows. 40" Flat screen TV with integrated AV system.

Ensuite heads, washbasin; separate shower with automatic pump-out; extractor fan. Automatic heads. Heated mirrors.

Port guest cabin

One single one double berths; hanging lockers and draws below beds; Individual berth lights; Large picture windows. 40" Flat screen TV with integrated AV system.

Ensuite heads, washbasin; separate shower with automatic pump-out; extractor fan. Automatic heads. Heated mirrors.

Saloon

One enters the saloon via the automatic electric stainless steel doors, an L-shaped sofa to starboard with a coffee table is opposite the main 50" TV which is in the aft port corner. There is space with an inlaid chess/card table to port before the main internal dining table. The dining table can seat 8. There are integrated storage cupboards for china around the saloon and a specially designed glass and bar storage area, containing a large wine fridge and icemaker to starboard below the internal staircase leading to the upper deck.

Galley

To port of the entrance lobby is the galley, well located to access the stairs to the upper deck, the saloon, or the port side deck, with an opening full side door. The full-size galley is fully equipped with a large fridge commercial hob and oven. Miele equipment and dishwasher. There is also a monitor connected to the security cameras throughout the boat.

Crew Cabin

Accessed via the bathing platform or the aft deck (ladder) this was uniquely designed initially to allow a longer passerelle to be fitted and it led to one cabin having a double bed and the second having twin heads. Both cabins have windows and have full climate control and ensuite heads and shower. Also located in the crew area is the washing machine and tumble dryer.

Navigation and Electronics

- Benetti Platinum System (75k upgrade) Total System provided by Team Italia
- Simrad 6kW – 64 Miles open scanner Radar with ARPA function
- 1 x 15" 2 x 22" Monitors
- Echosounder - black box supplying depth
- 2 x GPS - one to feed the main system and a second Furuno GP32
- Speed/Wind/Depth Cetrek Display
- Cartography System Nobeltec Trident Timezero, with recent Navionics charts
- Conning system Technics BV Free Conning system – Digital instruments
- Autopilot Navicontrol AP 3003 override tillers
- Satellite gyro compass BB
- VHF Sailor Mod RT5022 DSC
- Helm Compass Riviera White Star 130mm diameter
- Thuraya Marine satellite telephone and communication system
- AIS system EM-TRAK – Class B
- Hydraulic power-assisted steering from wheel at helm and via Autopilot, Electrohydraulic 2, pumps
- Single lever Caterpillar electronic engine controls with trolling facility
- Second remote control Engine station can be plugged in on upper deck or on aft deck, this has bow thruster control integrated
- Hydraulic bow thruster 40hp VT Naiad
- Fin stabilizer system (zero speed) VT Naiad mod. 353

Electrical Systems

- 1 bank of 4 x 24-volt heavy-duty gel type batteries for engine starting, each bank dedicated
- 1 bank of 4 x 24-volt heavy-duty batteries for domestic use (2021)
- 1 bank of 4 x 12-volt battery for generator starting, each bank dedicated
- Shore power system: 240 volts 63 amp shore power supply to all cabins (continental sockets with recent USB sockets integrated)
- Polarity check system
- Circuit breakers on all circuits
- ASEA frequency converter Mod AC36 allows the shore power to operate with any Voltage and frequency

Batteries

- 2 x Kohler 40 EFOZ generators, 15,000 hours approx. each fully automatic stop-start system on demand, fully regulated and serviced/oil changes every 250 hours

- 2 Engine alternators charge via blocking diodes to isolate engine start batteries from auxiliaries
- 1 x Mastervolt 24v 50Ah Float/Auto battery charger for engine batteries
- 1 x Mastervolt 24v 40Ah Float/Auto battery charger for generator batteries
- 1 x Mastervolt 24v 80Ah Float/Auto battery charger for service batteries
- 1 x Mastervolt 24v 30Ah Float/Auto battery charger for navigation equipment batteries
- 1 x Mastervolt 24v 30Ah Float/Auto battery charger for emergency batteries

Plumbing Systems

Mechanical

- Engines: 2x Caterpillar C18 D-Rating – DM6445-03, 6 cylinder configuration 885HP diesel
- Designed to operate from up to 3000 hours per year these are not the standard leisure-rated engines
- Water-lubricated stern glands
- Alarm systems (with lights); Covers: fire, bilge, fuel, oil and water levels
- 5 bilge-suction points with valves, automatic from each water-tight section
- 2 x 230v pumps for bilge and fire fighting system (suitable fire hoses and nozzles, 4 hydrants)
- ER fire fighting BSCO 7400 Series manual/auto (FE-227)
- Hand-held extinguishers
- Engine room blowers Two in Two out, adjustable with fire dampers and spray separators

Water systems

- Hot water production: 240volt immersion two tanks 240 lit forward
- Pressurised hot and cold water system, two pumps connected to a pressure tank
- Water level gauge & Deck filler on both sides
- Separate drinking water faucet with mineraliser and filters – Alkaviva recent.
- UV light water sterilizer
- Idromar water maker MC55 - 250 litres per hour approx. upgraded
- Hamann Black water treatment system (2520 Lit per day)
- Freshwater deck-wash 4 in total
- Water softener integrated into shore supply

Tankage system

- Fuel: 3630 Gallons, 16500 Litres, 3 Tanks plus day tank
- Fuel cross-over valve, 2 Racor primary fuel filters per engine (4 total)
- Contamination warning at helm
- Alfa Laval MIB 303 S13 Fuel polishing system
- Fuel transfer pump plus backup 24v transfer pump
- Water: 660 gallons, 3000 litres, 2 tanks giving 240litres hot water
- Holding tank with sea and deck pump out (550 gallon/2500 lit)
- Bilge tank 400 lit

Air conditioning

Heinen & Hopman air-conditioning system - Air conditioning for cooling and reverse cycle for heating to all cabins including crew quarters. Chiller units located in forward technical space and individual fan coil units in each area fresh air system, there are no opening windows, and air is supplied by a central handling unit (Salor) this regulated fresh air into the boat working on the basis of three air changes per hour. (Can be controlled by zones)

Entertainment Equipment

- Upper deck: Denon S-101 with four over head integrated speakers
- Sun deck: Two speakers with independent sound system
- All systems controlled via Control 4 system with two dedicated iPads
- Main Saloon: Samsung LED HD4K 50" TV with Linn 5.1 Speaker system, Denon AVR-X4200W, Denon DVD , Sky Box, Apple TV and IPTV box
- Owners' cabin: Samsung LED HD4K 40" with Linn 4.1 Speaker system, Denon AVR-X1200W, Sky box, Apple TV and IPTV Box
- VIP Cabin: Samsung LED HD4K 47" with Linn 4.1 Speaker system, Denon AVR-X1200W, Sky box, Apple TV
- Guest Cabins: Samsung LED HD4K 40" TV with 2 speakers and Yamaha RX-V561, Apple TV and sky sat box
- Crew: Denon S-101 with speakers, Sky Box and TV
- Satellite TV - Seatel C-24 dish with dummy dome to feed all 5 Cabin
- Cabling for Fleet 55 (Sat data supply system) fitted but not connected
- 4G/LTE wireless router connected to ship's Wifi system 4 sims – Pepwave

Galley and Laundry

- Miele Commercial combination oven Model H6890BP
- Miele 4 burner electric hob with guards Model KM551
- Miele Commercial Microwave Model M8161
- Galley extractor fan
- 2 deep galley sink with lids
- Garbage macerator for sink
- Miele 12 place dish washer full size G1430 Sci
- 1 x Miele 240v refrigerator 330 lit galley model K9752iD
- 1 x Ariston 240v deep freeze in lower deck, 123 Lit approx. K 623 Ui
- 1x Bluesky 240v deep freeze in crew area, 140Lit approx
- 2 x Frigonautica 240v refrigerator upper bar and crew area
- 1 x Candy 240v large fitted Wine cooler in saloon bar
- 1 x U Line Ice maker in forward technical space
- 1 x U Line Ice maker in Saloon
- 1 x Bar Line Ice maker in upper bar
- Hot and cold tap and sink in upper bar
- Fresh water tap with filtered water in galley & upper bar
- Miele washing machine, crew cabin
- Miele tumble dryer, crew cabin
- Villeroy & Boch china set of 14 and much more china

Deck and Tenders

Easily the most popular area on the boat. Comfortable seating, commanding views, fully equipped bar, full-size dining table. There is not much reason to leave this area, with the entertainment system controlled via iPads.

Full shade over the deck thanks to the hard top (opening central section) or full sun can be found on the enormous and private sun pad forward of the bar. This area has a lot of unique features on this boat.

The bar design is fully fitted out with galley storage. Marble worktops complement the classic wooden bar and additional units with marble tops house and extra wine cooler.

The forward “roof” of the bar has a uniquely large, rectangular, panoramic window (sister ships have two small port holes). This window allows natural light back into the bar and also looks in keeping.

The private sun pad has two unique seats on either side with storage below. It also has a back rest that flips forwards when not in use or turns the leading edge of the sun pad into a comfortable bench.

All of this area has higher than standard stainless guard rails and is fitted with custom glass to make it private and safer.

The tender has been removed from the fly and a large L-shaped sofa aft and a large sideboard to Port have been installed as well as a rectangular dining table.

- Twin Reversible electric (4500 watts) Maxwell vertical VWV Series anchor winch with capstan
- Foredeck/helm position controls
- Twin High Holding Power 105kg Anchors 13 mm 100M chain and 120M chain both feeding
- Through roller hawse pipes into self-stowing anchor pockets
- Fore deck wash and fore deck locker
- Full set of IMCO navigation lights
- Mooring Bollards, Stainless steel 4 bow, 4 stern, and two spring cleats/fairleads in pairs
- Four large pantograph windscreen wipers with fresh water wash
