

Filippetti S55 - SMILE

Year: 2020

Price: EUR 1,125,000 Tax Not Paid

Location: Mallorca

Hull Material: Fibreglass

Fuel: Diesel

Cruising Speed: 28 knots

Condition: Used

A true masterpiece of engineering, this sporty coupé redefines the meaning of performance on the water. With an impressive top speed of 38 knots and a steady cruising speed of 28 knots, it proudly claims the title of the most powerful and dynamic model in the Sport Series. Every element has been crafted to deliver pure adrenaline without sacrificing elegance or comfort.

Its secret lies in the perfect harmony between weight and power, achieved through advanced materials and innovative design. The hull, meticulously shaped for hydrodynamic efficiency, ensures flawless stability even at high speeds, while providing a smooth and exhilarating ride. This balance allows the coupé to glide effortlessly across the water, combining precision handling with unmatched acceleration.

Beyond raw power, this model embodies sophistication. Every detail—from the sleek lines of its silhouette to the intelligent distribution of space on board—has been designed to enhance both performance and pleasure. It is more than a high-performing vessel; it is the ultimate expression of sportiness, style, and comfort fused into one.

Beam: 4.64 m

Engines

Engine Make: Volvo Penta 1200 IPS

Engine hours: 960

Primary Engines: Inboard

Power: 1200 hp

Drive Type: Pod Drive

Propeller Type: 4 blade

Tankage

Fuel Tanks #: 2500 l

Fresh Water Tanks #: 600

l Holding Tanks #: 600 l

Accommodation and Layout

The Filippetti S55 is a yacht defined by light, style and performance. Its interiors are modern and sophisticated, blending fine leather, natural wood, carpeted floors, and lacquered surfaces to create a warm yet contemporary atmosphere.

Saloon

The saloon welcomes guests with white-tinted wooden flooring and a large U-shaped leather sofa to port, surrounding a central wooden dining table that comfortably seats six. To starboard, light oak cabinetry houses a refrigerator and retractable TV.

Forward, the helm station is complete and well-equipped, flanked by two black leather pilot seats. The dashboard, wrapped in black leather with refined white stitching, combines functionality with elegance. Expansive panoramic windows to the sides, bow, and stern flood the saloon with natural light, offering a 360-degree view of the sea.

- Dedicated fridge
- Fusion sound system and speakers
- Retractable Sony flat screen TV
- Leather sofa
- Leather pilot seats
- Retractable hardtop

Galley

Accessed via steps from the saloon, the galley is spacious and luminous. White-tinted wooden flooring and light oak cabinetry are complemented by lacquered finishes. To port lies a white Corian worktop with integrated sink and four-burner electric hob. A full-size refrigerator/freezer sits centrally, with generous storage throughout. From here, access is provided to the cabins and the day head.

- Integrated Miele fridge/freezer
- Bosch microwave/oven
- White Corian worktop
- Fusion speakers

Master Cabin

The full-beam master suite offers refined comfort and privacy. A centrally positioned bed is framed by large panoramic hull windows that illuminate the space with natural light. The cabin is fully carpeted, with light oak wardrobes to starboard and a small tea table with twin upholstered chairs. Additional mirrored wardrobes enhance the sense of space, while an off-white leather headboard and ceiling details contribute to the room's brightness and elegance.

- En suite bathroom
- Reverse-cycle air conditioning
- Panoramic hull windows
- Flat-screen Sony TV
- 220V sockets

VIP Cabin

Located forward in the bow, the VIP cabin also features a centrally positioned bed with panoramic hull and ceiling windows. Surrounded by light oak furniture and white leather ceiling panels, the cabin is fully carpeted and benefits from its own en suite bathroom. An elegant and comfortable retreat for distinguished guests.

- En suite bathroom
- Reverse-cycle air conditioning
- Hull and ceiling windows
- Flat-screen Sony TV
- 220V sockets
- Wardrobe

Twin Cabin

Situated to starboard, the twin cabin offers two single berths in a bunk configuration. A panoramic hull window fills the space with natural light, while light oak furniture and white leather ceiling finishes create a refined ambiance.

- Two single berths
- Reverse-cycle air conditioning
- Panoramic hull window
- 220V sockets
- Wardrobe

Crew Cabin

Accessible from the cockpit, the crew cabin includes a single berth, shower, WC, and reverse-cycle air conditioning for complete autonomy and comfort.

Cockpit & Exterior Decks

When the large saloon doors retract, the cockpit seamlessly extends the interior into an open-air living space. With the hardtop also retracted, the area becomes a true outdoor lounge. The teak deck features a leather sofa and dining table to port, while to starboard a barbecue and bar add to the social atmosphere. A spacious aft-facing sunbed completes the setting.

Three steps down lies the teak hydraulic bathing platform, capable of carrying the tender. The adjacent garage offers storage for the tender (when deflated) or serves as a generous lazarette for water toys.

At the bow, two large sun pads with integrated cupholders and speakers invite relaxation, while the non-skid deck and stainless-steel railings ensure safety and style.

Navigation and Electronics

- 2 x large touch screen Garmin plotters with engine data, charts, radar and more
- Filippetti yacht computer touch screen for monitoring levels, alarms, lights, etc
- Garmin autopilot
- Garmin colour Radar

- Garmin speed log and depth sounder
- Volvo electronic throttle control
- Volvo IPS joystick control
- Seakepper touch screen control
- Seakepper 6 Gyro Stabilizer
- Quick bow thruster with dedicated battery bank
- Quick bow thruster controls next to joystick and engine throttle
- Garmin DSC VHF radio
- Zenith magnetic compass
- Power assisted electro-hydraulic steering
- Black leather adjustable pilot seat

Electrical Systems

- 13.5KW Kohler generator (2400 hours, September 2025)
- AGM Service batteries
- Heavy duty high torque 12V starter batteries for engines and generator
- Mastervolt 3500 Inverter
- Mastervolt 10A and 20A chargers
- Selective shore power up to 64A
- Quick bow thruster with dedicated battery bank
- Battery link facility with remote control at helm station
- Circuit breakers on all circuits
- Underwater transom lights
- 220V sockets throughout
- Hot water heater
- Dometic reverse cycle air conditioning 48.000BTU

Engine Room

- VOLVO Penta 1200, providing 2400 HP with IPS pods (960 hours, September 2025)
- 13.5KW Kohler generator (2400 hours, September 2025)
- Seakepper 6 Gyro Stabilizer
- Engine room sound proofed
- High volume air intakes
- Engine room extractor fan with electronic time delay
